ANSWERS TO QUESTIONS RECEIVED THROUGH 2:00 PM ON APRIL 17, 2017:

Q#1 Please advise if using a set aside contractor is a requirement for this bid.

A#1 As described in the Notice to Bidders on Page 1, there is no goal established for SBE participation on this project. Bidders are required to indicate any subcontractors or material suppliers the responded proposes to use under the contract on Page 12a and 12b, but the bidder is not required to complete pages 12d and 12e even if there is no SBE included on the bid. See the Instructions to Bidders on 2c and the Bid Form Instructions on Page 5a.

Q#2 Please advise what will suffice for the SBE requirements. As we do not have any listed vendors that we can find that would apply to this particular job. There is no Effort outside of the Good Faith that can be demonstrated other than looking on the various websites listed to determine that there truly are no matching or relevant outside vendors.

A#2 Please see the response to Q#1.
