Q#1 Also, since this is two (2) design projects, do you want two (2) LOIs or one (1)?

A#1 A single LOI is sufficient to response to the request. However, designate whether your firm is interested in performing one specific Project or another, or both Projects.

Q#2 Regarding the above referenced RFP, can the Commission provide available plans for the bridges?

A#2 Yes. The Commission will provide the existing plans to any interested firm through the Commission's .ftp site. Any interested firm so desiring may request a pick-up link from the Commission's Procurement Manager via e-mail at kevin.golick@ohioturnpike.org.
