Q#1 Could you please email us a draft copy of the RFP for the subject projects.

A#1 Yes. The Procurement Manager will send a draft copy of the RFP upon request.

Q#2 We would like to confirm if each project (71-14-03, 71-14-04, 71-14-05 & 71-14-06) requires a separate LOI and if consultants can submit a LOI on all four projects?

A#2 Only one (1) Letter of Interest (“LOI”) for all four (4) projects is necessary and acceptable. The Interested Firms shall include a statement within the LOI that identifies whether the Firm is interested in submitting a Proposal to perform services for a specific Project or Projects or for any and all Projects included under the RFP. See Item 5 of the Content requirements for the LOI.

Q#3 Is painting of the superstructure included as part of the rehabilitation scope of work for these structures if necessary, or will that be covered under a different contract?

A#3 No. Painting of the superstructures will be performed as a project separate from the contract for the Work designed under the scopes of services described in the RFP.
