****MEDIA ALERT****

I-71 southbound interchange ramp detours to occur tonight

This work did not occur last two nights due to rain in the area

BEREA (July 8, 2016) – The southbound exit ramp from I-71 to the Ohio Turnpike and the entrance ramp from the Ohio Turnpike to I-71 southbound are scheduled to be detoured tonight, weather permitting, between the hours of 10:00 p.m. until 6:00 a.m. on July 8-9.

Originally scheduled to occur each of the previous two nights, an Ohio Department of Transportation District 12 contractor will be resurfacing the right shoulder, right and center lanes of I-71 southbound, both north and south of the Turnpike.

Southbound travelers on I-71 planning to enter the Ohio Turnpike should follow the posted detour to Exit 231 A (SR 82/Royalton Road) eastbound to I-71 northbound to the Ohio Turnpike entrance ramp.

Ohio Turnpike travelers exiting at Exit 161 and planning to head southbound on I-71 will be required to take the Exit 161 ramp to SR 42/Pearl Road and travel north on SR 42 to I-71 southbound.

###

The Ohio Turnpike is a 241-mile toll road offering one of the safest, best and most convenient routes for motorists to reach east/west destinations along the northern corridor of Ohio.
