## **\*\*MEDIA ALERT\*\***

### **Ohio Turnpike bridge project in Erie County to slow traffic tonight**

*Traffic will be maintained in one lane throughout project that ends 11:30 a.m. tomorrow\**

**BEREA** (Oct. 18, 2016) – Starting tonight at 7:00 p.m., the Ohio Turnpike westbound between mileposts 118.5 and 117.5 over US Route 250 in Milan Township, Erie County, will be reduced to a single lane until Wednesday at 11:30 a.m., weather permitting.

The project will require a 35 mph work zone due to mainline bridge deck concrete pours of the left and center lanes on the Ohio Turnpike westbound over US Route 250.

\*Factors that may affect exact project start time and completion include inclement weather and unforeseen project complications. For ongoing updates please refer to [www.ohioturnpike.org/constructionupdates](http://www.ohioturnpike.org/constructionupdates) and follow the Ohio Turnpike on Twitter: @OhioTurnpike.

###

The Ohio Turnpike is a 241-mile toll road offering one of the safest, best and most convenient routes for motorists to reach east/west destinations along the northern corridor of Ohio.
