## **\*\*MEDIA ALERT\*\***

### **Lordstown-East Turnpike ramp reopens today at 5 p.m.**

**BEREA** (June 26, 2015) – The eastbound entrance ramp to the Ohio Turnpike at Exit-216 (Lordstown) will reopen today at 5:00 p.m. Please note that the westbound exit ramp from the Ohio Turnpike at Exit-216 (Hallock-Young Road only) remains closed until November 20, 2015.

Detour routes are available at [www.ohioturnpike.org/travelers/construction](http://www.ohioturnpike.org/travelers/construction). The closures are part of the Ohio Turnpike's Base Pavement Replacement Project between milepost 216.10 and 221.26 in Trumbull and Mahoning Counties. Eastbound and westbound Ohio Turnpike customers traveling in this area will encounter a bi-directional traffic pattern, while crews remove and replace the original base pavement in the westbound direction.

###

The Ohio Turnpike is a 241-mile toll road offering one of the safest, best and most convenient routes for motorists to reach east/west destinations along the northern corridor of Ohio.
