ANSWERS TO QUESTIONS RECEIVED THROUGH 10:00 A.M. ON APRIL 15, 2024:

Q#1 I noticed the commission was going to handle the asphalt repairs and crack filling, but were they also going to handle the striping as well? Just wanted to double check on that since I didn't see it included or excluded in the bid packet.

A#1 The Commission will handle the striping as well.

Q#2 Lastly, these are the only two seal coating projects I saw posted, were there any others that we could look at?

A#2 The only pavement sealing projects this year are Bid Invitations 4452 and 4453.

Q#3 The bid said prevailing wage rates may apply. Do they apply for both of these projects?

A#3 Prevailing wage does not apply to this project.
