ANSWERS TO QUESTIONS RECEIVED THROUGH 9:00 A.M. ON APRIL 6, 2023:

Q#1 In the Contract documents, Article 15 section, 15.1 Limits on Subcontracting. “Contractor shall perform with the Contractor’s own organization, Work amounting to not less than fifty-five (55%) of the total Contract Price.”

Question. Will you consider reducing Contractor Self Perform to 30% of the total Contract Price.

A#1 Due to the specialty nature of this work and the availability of labor force, the OTIC has decided to reduce the percentage of work for the Prime Contractor to self-perform from 55% to 30% of the total contract price for this project.
