QUESTIONS AND ANSWERS THROUGH 12:00 P.M., MAY 6, 2011:

Q#14 The bid references reliance on the Ethanol and Biodiesel Information Service, Cleveland OH for pricing B100 SME biodiesel. I called OPIS and they indicated they do not price B100 SME on the Cleveland OH Ethanol and Biodiesel Information Service. Would you be able to send me say 10 recent weeks of the OPIS/ Ethanol and Biodiesel Information Service report you were using when the bid specs were prepared?

A#14 OPIS is a copyrighted publication that the Commission cannot reproduce. If your firm is a subscriber, in order to see the pricing used by the Commission, please refer to the columns indicated in the Invitation at page 8b, reference: "PRICING FORMULA FOR B100 SOY METHYL ESTERS("SME") BIODIESEL FUEL GROUPS I AND II – ITEMS 1A, 21, 3A AND 4A." In addition, please be advised that in the event B100 SME biodiesel pricing is not available through the Cleveland, Ohio Ethanol and Biodiesel Information Service, then the third paragraph of the same section becomes applicable: "In the event the 'Ethanol and Biodiesel Information Service' ceases publication and/or a viable listing of reference prices relating to Cleveland, Ohio is no longer available through the 'Ethanol and Biodiesel Information Service,' the parties to this Contract shall mutually establish a replacement reference price index."

Q#15 Who is the current supplier for Diesel and for Biodiesel?

A#15 Petroleum Traders Corporation.

Q#16 Do you have a bid tabulation for the previous bid?

A#16 Yes, the bid tabulations for unleaded gasoline and diesel fuels are attached. (The last time bids were solicited for gasoline and diesel fuel, these Contracts were bid and awarded separately).
