PART II. Term

The first term of the Contract entered into with the Selected Service Provider shall be for a period of three (3) years. The Commission shall have the option of extending the Contract for up to two (2), three-year periods pursuant to the same rates, terms and conditions unless modifications have been mutually agreed to in writing by the parties. The Selected Service Provider shall provide written notice to the Commission within 180 days of the end of any Contract term of its intention not to renew the Contract.

PART III. Submission Requirements

In addition to meeting the requirements stated in the **Specifications Section** of this RFP, Service Providers submitting a response to the RFP must submit one **(1) original and three (3) copies of their written Proposal**. In addition, Respondents shall also submit with their Proposal Response **five (5) compact disk (“CD”) copies** of the Proposal. The Proposal Response shall include submission of all items listed below as well as signed Compliance Statements in response to **PARTS I, II and III** of the **Specifications**.

Proposals must include the following:

A. A Statement from the Responding Service Provider that it understands all of the requirements of the **Specifications**, and describing its capabilities to perform the requirements of this RFP, along with a narrative of how the Firm intends to perform each of the tasks set forth in **Specifications Section** of this RFP, including all Statements of Compliance and any other information requested in **PART II, Section 1** of the **Specifications**.

B. The Selected Service Provider must be authorized and registered to do business in the State of Ohio. The Commission is seeking a Service Provider preferably from among organizations with an Ohio presence (i.e., a firm having one (1) or more office(s) in Ohio and employing Ohio residents). However, in the event the Commission determines that a non-Ohio firm is more qualified to perform the services required, or provides better pricing for such services, a non-Ohio firm may be selected. Identify the number and location of your Ohio offices, along with the approximate number of Ohio residents that you employ. ***If the Responding Service Provider is submitting a Proposal from a joint venture or partnership formed exclusively for the purpose of the Contract that will ensue from this RFP, please provide all information requested in this PART for all entities which form a part of the joint venture or partnership.***
