Ohio Turnpike to host Customer Appreciation Days at Service Plazas

Free prizes and food samples for customers to enjoy at first event at Wyandot Plaza this Friday

BEREA (May 27, 2014) – The Ohio Turnpike and Infrastructure Commission will kick off a busy summer season when it teams up with Hardee’s Food Systems, Inc., to host a Customer Appreciation Day at the Wyandot Service Plaza (milepost 76.9 eastbound) on Friday, May 30, 2014 from 10 AM – 3 PM. It’s the first of five such events in 2014.*

At the Wyandot Service Plaza only, Hardee’s will be offering free samples, lunch specials, and also will give away four free tickets to Cedar Point. In addition, the Ohio Turnpike, AVI Food Systems, the Ohio State Highway Patrol and Sunoco will participate with children’s activities, coupons, samples and information. The Patrol, for example, will have a new car on the grounds for children to sit in and be able to interact with a uniformed trooper.

“These community events are a great way for us to reach out to customers directly to answer questions about E-Z Pass, provide safety information and also to provide a fun and interactive stop during their travels,” said Richard Hodges, executive director of the Ohio Turnpike and Infrastructure Commission.
