## **General Information**

Customers can enjoy the convenience of overnight parking and hook-ups for travel trailers or recreation vehicles (RV) at select service plazas on the Ohio Turnpike. These sites offer electrical outlets (20 & 30-120V; 50 AMP-240V), a wastewater dump station and potable water for a \$20.00 fee. Customers should use the self-pay ticket machine located at the entrance to the RV lot and must display receipt in window or on dashboard. There are a limited number of spaces, which are available on a first come, first serve basis. Reservations are not accepted and lots may be occupied for one night only.

In the event of an emergency, cell phone customers can dial \*990 or contact the Ohio State Highway Patrol at (440) 234-2096. In case of severe weather, please seek shelter inside the plaza.
