

## CONSTRUCTION UPDATES

**Tuesday, Sept. 24, 2013**

*The following is a list of new, ongoing and completed projects, as part of the Ohio Turnpike's 2013 construction program.*

### **Exit 13 Partial Closure**

*Williams County*

Exit 13 is closed to Westbound motorists. Customers entering this interchange will not be able to travel Westbound and Ohio Turnpike customers traveling Westbound cannot Exit at this interchange. Suggested detour for Westbound Turnpike customers is Exit 25 (Archbold/Fayette – SR 66). This interchange remains OPEN for all eastbound travelers.

***Estimated completion date: Monday, Sept. 30***

### **Milepost 33.7 - 38.9 Resurfacing**

*Fulton County*

Eastbound and westbound Ohio Turnpike customers traveling in this area will encounter a bi-directional traffic pattern and reduced speed limits due to a major resurfacing project in the eastbound lanes.

***Estimated completion date: Monday, Sept. 30***

### **Milepost 161.0 Ramp Closure**

*Cuyahoga County*

The ramp to/from US 42 (Pearl Road) and the Ohio Turnpike will be closed to traffic starting on Friday, Sept. 27 for bridge deck repairs. A detour route will be posted advising motorists to use I-71 to reach Pearl Road or to access the Turnpike.

***Estimated Completion Date: Monday, Oct. 7***

### **Milepost 229.8 - 236.5 Resurfacing**

*Mahoning County*

Eastbound and westbound Ohio Turnpike customers traveling in this area will encounter restricted traffic patterns and reduced speed limits due to resurfacing project in both east & westbound lanes.

***Estimated Completion Date: Friday, Oct. 11***
