

## Ohio Turnpike Issues Limited High-Wind Travel Restriction for Certain Trucks and Vehicle Combinations Only

BEREA, Ohio (March 12, 2026) – The Ohio Turnpike and Infrastructure Commission has issued a High-Wind Travel Restriction across the entire 241-mile toll road for some high-profile vehicles, which may be more affected by high wind speeds, from **12:01 a.m. ET on Friday, March 13, 2026, until 11:59 p.m. ET on Friday, March 13, 2026.**

**When a High-Wind Travel Restriction is placed into effect, the Ohio Turnpike remains open for all passenger vehicles and most commercial vehicles.**

The following types of vehicles **ARE PROHIBITED** from traveling on the Ohio Turnpike during the travel restriction period:

- Commercial trucks towing an empty, single 53-foot box-type;
- Commercial trucks towing an empty 53-foot tanker-type trailer;
- All high-profile (greater than 7 feet 6 inches in height) tow-behind trailers, campers, boats, and enclosed trailers. (This does not include trailers with fifth-wheel type trailers);
- All mobile homes, office trailers and livestock trailers;
- Long-combination vehicles (LCV) with double-trailer combinations exceeding 90 feet in length. (Enclosed trailers only, including Conestoga type trailers);
- All LCV triple-trailer combinations;
- Two-axle buses longer than 40 feet; and
- Buses with three or more axles greater than 45 feet.

The following types of vehicles **ARE ALLOWED** to travel on the Ohio Turnpike during the restriction:

- Passenger cars and pickup trucks;
- Commercial trucks towing a loaded, single 53-foot trailer;
- Commercial trucks towing a loaded tanker trailer;
- Self-propelled motor homes;
- Low-profile trailers;
- Fold-down camper trailers;
- Pickup trucks with slide-on camper units;
- Vehicles towing fifth-wheel type trailers or any other type of trailers towed by passenger vehicles or pickup trucks that are not listed in the restricted vehicles section above;
- Commercial trucks towing a single flatbed;
- Commercial trucks towing a car hauler trailer;
- Commercial trucks towing flatbed double-trailer combinations;

- Commercial trucks towing any double-trailer combinations less than 90 feet;
- Two-axle buses less than 40 feet; and
- Buses with three or more axles less than 45 feet.

 <b>THE FOLLOWING VEHICLES ARE PROHIBITED DURING A TRAVEL RESTRICTION</b>	
	Commercial trucks towing an empty single 53-foot trailer
	Commercial trucks towing an empty 53-foot tanker-type trailer
<p><b>*High-profile is defined as height exceeding 7'-6"</b></p>	
	All high-profile* tow-behind trailers, campers, boats, and enclosed trailers. (excluding 5th wheel trailers)
	All mobile homes, office trailers and livestock trailers.
	All long combination vehicle (LCV) double-trailer combinations exceeding of 90-feet in length. (enclosed trailers only, including conestoga type trailers)
	All LCV triple-trailer combinations.

The high-wind travel restriction will be continually evaluated by the turnpike commission’s engineering and maintenance staff throughout the duration of the weather event.
