

Ohio Turnpike Issues Weather Event Travel Restriction for Certain Trucks

BEREA, Ohio (Dec. 28, 2025) – The Ohio Turnpike and Infrastructure Commission has issued a Weather Event Travel Restriction across the entire 241-mile toll road for some high-profile vehicles, which may be more affected by high wind speeds, from **12:01 a.m. ET on Monday, Dec. 29, 2025, until 11:59 p.m. ET on Monday, Dec. 29, 2025.**

When a Weather Event Travel Restriction is placed into effect, the Ohio Turnpike remains open for all passenger vehicles and most commercial vehicles.

The following types of vehicles **ARE PROHIBITED** from traveling on the Ohio Turnpike during the travel restriction period:

- All high-profile (greater than 7-feet 6-inches in height) tow-behind trailers, campers, boats, and enclosed trailers. (This does not include trailers with fifth-wheel type trailers);
- Commercial trucks towing an empty, single 53-foot box-type trailer;
- All mobile homes, office trailers and livestock trailers;
- All long combination vehicles (LCV) that include double-trailer combinations exceeding 90 feet in length. (Enclosed trailers only, including Conestoga type trailers);
- All LCV triple-trailer combinations;
- Two-axle buses longer than 40 feet; and
- Buses with three or more axles greater than 45 feet.

The following types of vehicles **ARE ALLOWED** to travel on the Ohio Turnpike during the restriction:

- Passenger cars and pickup trucks;
- Commercial trucks towing a loaded, single 53-foot trailer;
- Self-propelled motor homes;
- Low-profile trailers;
- Fold-down camper trailers;
- Pickup trucks with slide-on camper units;
- Vehicles towing fifth-wheel type trailers or any other type of trailers towed by passenger vehicles or pickup trucks that are not listed in the “prohibited” vehicles section above;
- Commercial trucks towing a single flatbed or tanker trailer;
- Commercial trucks towing a car hauler trailer;
- Commercial trucks towing flatbed double-trailer combinations;
- Commercial trucks towing any double-trailer combinations less than 90 feet;
- Two-axle buses less than 40 feet; and
- Buses with three or more axles less than 45 feet.
