WHEREAS, the Ohio Turnpike and Infrastructure Commission (“Commission”) advertised an Invitation for Bids to furnish guardrail terminal parts under Invitation No. 4475; and

WHEREAS, the Commission received one (1) bid in response to the Invitation, and the Commission’s Maintenance Engineer reviewed and analyzed the timely bid submitted, whose report concerning such analysis is before the Commission; and

WHEREAS, the Maintenance Engineer reports that Firelands Supply Company (“Firelands”), of Norwalk, Ohio, submitted the lone bid; and

WHEREAS, the Maintenance Engineer reports that the bid of Firelands conforms with the bid specifications in all material respects, observed that Firelands has satisfactorily furnished similar material previously to the Commission, and recommends that the Commission select the bid of Firelands as a responsible and responsive bid received under Invitation No. 4475, in the total contract price of \$195,000.00; and

WHEREAS, the Commission’s Director of Contracts Administration has determined that the bids for Invitation No. 4475 were solicited on the basis of the same terms and conditions and the same specifications, and that the bid from Firelands for Invitation No. 4475 conforms to the requirements of Ohio Revised Code Section 5537.07 and 9.312; and

WHEREAS, the Office of Equity and Inclusion determined to waive the program requirements due to a lack of subcontractor opportunity and availability of certified firms; and

WHEREAS, Commission action is requested to approve the contract in accordance with Article V, Section 1.00 of the Commission’s Code of Bylaws because the amount of the bid received will require an expenditure that exceeds \$150,000.00 to furnish the guardrail terminal parts material; and

NOW, THEREFORE, BE IT

RESOLVED, by the Ohio Turnpike and Infrastructure Commission that the bid of Firelands Supply Company under Invitation No. 4475, to furnish guardrail terminal parts for a total contract price of \$195,000.00, is approved as a responsive and responsible bid received, and that the Executive Director or Chief Engineer/Deputy Executive Director is authorized to execute a contract on the basis of said bid.
