

## OHIO TURNPIKE AND INFRASTRUCTURE COMMISSION

### **Resolution Approving the Selection of AECOM Technical Services, Inc. to Develop a Long-Term Engineering Asset Management Plan in the Not to Exceed Amount of \$282,533.00**

WHEREAS, on January 5, 2026, the Ohio Turnpike and Infrastructure Commission (“Commission”) issued Request for Proposals (“RFP”) No. 1-2026 to select a consultant to develop a long-term engineering asset management plan for capital project programming and budgeting; and

WHEREAS, on February 2, 2026, three (3) consultants submitted a proposal to develop a long-term engineering asset management plan; and

WHEREAS, an Evaluation Team comprised of Engineering and Maintenance Department staff (“Evaluation Team”) conducted a technical review of the proposals submitted and after scoring the technical proposals, reviewed the fee proposals; and

WHEREAS, as a result of the proposal review process, the Evaluation Team concluded that the proposal submitted by AECOM Technical Services, Inc. (“AECOM”) delivers the best value in terms of service and price and recommends that a contract be entered into with AECOM in the not-to-exceed amount of \$282,533.00; and

WHEREAS, the Director of Contracts Administration has determined that AECOM’s proposal conforms to the requirements of Ohio Revised Code Sections 5537.07 and 5537.13, proposals were solicited on the basis of the same terms and conditions with respect to the respondents and potential respondents, and the Commission may legally accept said consultant’s proposal; and

WHEREAS, the Office of Opportunity and Inclusion waived the SBE goal for this contract due to the lack of subcontracting opportunities and available certified firms; and

WHEREAS, the Executive Director has reviewed the report of the Evaluation Team and approves the recommendation that the Commission select AECOM as its consultant to develop a long-term engineering asset management plan; and

WHEREAS, Commission action is necessary in accordance with Article V, Section 1.00 of the Commission’s Bylaws because the expenditure exceeds \$150,000.00; and

WHEREAS, the Commission has duly considered such recommendations.

NOW, THEREFORE, BE IT

RESOLVED, by the Ohio Turnpike and Infrastructure Commission that the selection of AECOM Technical Services, Inc. is approved as the most qualified firm to develop a Long-Term Engineering Asset Management Plan in the not-to-exceed amount of \$282,533.00.
