WHEREAS, the Ohio Turnpike and Infrastructure Commission ("Commission") advertised an Invitation for Bids to perform its requirements for pavement sweeping services during a period commencing upon contract execution and continuing through the 2027 pavement sweeping season; and

WHEREAS, the Commission received two (2) bids in response to the Invitation, and the Commission's Maintenance Engineer reviewed and analyzed the bids timely submitted, whose report concerning such analysis is before the Commission; and

WHEREAS, the Maintenance Engineer reports that the lowest responsive and responsible bid for the performance of Group I and Group II under Invitation No. 4517 was submitted by Perfect Sweep, Inc. in the total estimated amount of $160,000.00 based on the anticipated quantities of pavement sweeping services that the Commission will require throughout the term of the contract and the pricing offered under the bid; and

WHEREAS, the Maintenance Engineer reports that Perfect Sweep, Inc. has performed the Commission's pavement sweeping services in the past and has performed satisfactorily; and, therefore, the Maintenance Engineer recommends that the Commission award a contract for pavement sweeping services to Perfect Sweep, Inc. for Group I and Group II as the lowest responsive and responsible bidder; and

WHEREAS, the Director of Contracts Administration determined that the bids for Invitation No. 4517 were solicited on the basis of the same terms and conditions and the same specifications, and that the bid from Perfect Sweep, Inc. for Invitation No. 4517 conforms to the requirements of Ohio Revised Code Sections 5537.07 and 9.312; and

WHEREAS, the Office of Opportunity and Inclusion waived the SBE goal for the project due to the specific work scope and the extent of the subcontracting opportunity available on the project; and

WHEREAS, Commission action is requested to approve the contract in accordance with Article V, Section 1.00 of the Commission's Bylaws because the amount of the bid received may require expenditures that will exceed $150,000.00 if the Commission's requirements for pavement sweeping services surpass the estimated quantities; and

WHEREAS, the Commission's Chief Engineer/Deputy Executive Director and Executive Director recommend that the Commission award Perfect Sweep, Inc. the contract for Invitation No. 4517 as the lowest responsive and responsible bidder; and

WHEREAS, the Commission has duly considered such recommendation.

NOW, THEREFORE, BE IT
