

ANSWERS TO QUESTIONS RECEIVED THROUGH 11:00 AM ON JANUARY 23, 2019:

Q#1 On the it states that “The Small Business Enterprise Goal (including DBE and EDGE) is waived” but On the bid form instructions it states that this needs to be completed whether or not the goal is waived or estimated. Not sure how to fill the form out if there is no goal. Please clarify.

A#1 Disclose any subcontractors regardless of certification status that you are proposing to use on OEI-2 (if none, state as much) and include it with a signed OEI-1 stating the goal was waived.

Q#2 Proof of Insurance. On the bid form instructions it states, “5) Proof of insurance coverage required under the special provisions” Under Special provisions it states that proof of insurance shall be forwarded to the commission immediately upon execution of the contract. I am assuming that we do not need to forward proof of insurance until the contract is awarded. Is this correct?

A#2 Provide a sample certificate of insurance evidencing the ability to obtain the required coverages and limits, and a final certificate identifying the Commission as an additional insured on a primary, non-contributory basis is required upon award.
