**OHIO TURNPIKE AND INFRASTRUCTURE COMMISSION
ADDENDUM NO. 1
PROJECT NO. 53-17-02 & 53-17-03**

QUESTIONS AND ANSWERS THROUGH 12:00PM ON NOVEMBER 17, 2016

Q#1 Do you know what the projected start date for project number 53-17-02 & 03 might be?

A#1 Bidders have three options for its construction schedule. See SP-103. Bidders must select a Spring 2017 Completion (Option 1), a Fall 2017 Completion (Option 3) and/or a Spring 2017 Completion of the Portage Service Plaza and a Fall 2017 Completion of the Brady's Leap Service Plaza (Option 2).

Depending on which option the Bidder selects, the Commission anticipates providing access on April 3, 2017 and/or August 7, 2017 to the sites.

With this Addendum No. 1, the Commission modifies the Bid Form on Bid Express to provide for the ability to designate which Option(s) the Bidder selects. Commission will select the lowest, responsive and responsible bidder regardless which completion schedule the Bidder chooses. See SP-103.
