ANSWERS TO QUESTIONS RECEIVED THROUGH 2:00 PM ON FEBRUARY 13, 2017:

Q#1 Questions concerning pages 12A thru 12G. Pg 2 of bid states “The Small Business Enterprise Goal (including DBE and EDGE) is 0%, does that mean that pages 12A thru 12G will not need to be completed?”

A#1 Complete pages 12a and 12b to provide the percent of any SBEs participation under the contract obtained through subcontracting or supplying materials. Bidders do not need to complete pages 12d or 12e regardless of the amount of SBE participation. See subparts 5) and 6) of the Bid Form Instructions on page 5a.

Q#2 What do you consider an SBE?

A#2 A SBE is any entity certified with the Commission as a Small Business Enterprise or certified as a SBE or DBE with the Ohio Department of Transportation/Uniform Certification Program or as an EDGE certified firm with the Department of Administrative Services. Please contact the Commission’s Office of Equity and Inclusion for assistance in identifying any available certified firms.
