Addendum No. 2

ANSWERS TO QUESTIONS RECEIVED THROUGH 12:00 PM ON JANUARY 29, 2019:

- Q#4 What does "configuration and operations" mean where it states on page 8a that "Bidders shall completely identify or otherwise disclose in the Bid, all waste disposal site(s). Bidders shall submit full details with respect to the configuration and operations of the disposal site(s) and disclose all owners and operators of each site. Bidders shall provide recent financial statements and financial responsibility statements for the land and business owners and operators of the disposal sites and copies of all licenses and permits held by the disposal site" Are you looking for information like what type of haz codes can be taken in?
- A#4 Configuration and operation is basically what type of disposal facility it is, how waste is treated if it is treated on site, the relevant permits maintained and any other pertinent information available to assess the proposed disposal site for the material.

The Commission modifies the Invitation to Bid by extending the bid opening date to 2:00 P.M. (Eastern) on January 31, 2019.
