**ANSWERS TO QUESTIONS RECEIVED THROUGH 11:00AM ON JULY 14, 2017:**

**Q#31 Please advise how awarding will be decided. In reviewing the bid tabulations along with the bill of ladings and invoices, it looks as though Ports Petroleum was the low bidder for gasoline and diesel for the Hiram location and Elmore location yet Great Lakes is currently servicing both gasoline and diesel for Hiram and diesel for Elmore. Also, Great Lakes was low on Amherst diesel yet Ports Petroleum is servicing that location for gasoline and diesel. We appreciate the clarification.**

*A#31 The Contract is awarded to the low Bidder per Group. The Bidder may be lower for one given location (Item), but the total Bid for all Items within the Group determines the Award based on the estimated quantities provided (see the Bid Form Instructions on Page 5a). The previous bids resulted in Ports Petroleum winning the diesel fuel contract and Great Lakes winning the gasoline. Neither supplies both gas and diesel at any location.*

**Q#32 Please also advise on the correct address for the Amherst location as we have : 7800 Oberlin Road, Amherst, OH 44002 yet per the bill of ladings the address is listed as 7800 Oberlin Road, Elyria, OH 44035.**

*A#32 For route mapping, delivery destinations, bills of lading, etc..., it's best to use the Elyria address. The site is physically located in unincorporated Amherst Township.*
