**REQUEST FOR PROPOSALS TO PERFORM  
CONSULTING ENGINEERING SERVICES**  
2019-2023

The Ohio Turnpike and Infrastructure Commission (“Commission”) issued a Request for Proposals (“RFP”) to Perform Consulting Engineering Services from 2019 through 2023. The Commission seeks to select a qualified independent engineer or engineering firm having a nationwide and favorable repute for skill and experience in providing the services required of the Consulting Engineer under its Master Trust Agreement, and to perform other professional engineering services required under Additional Assignments issued on a task order basis.

Any interested firm requesting a copy of the RFP or submitting questions regarding the same must email its inquiry to [purchasing@ohioturnpike.org](mailto:purchasing@ohioturnpike.org) prior to 5:00 PM (Eastern) on September 11, 2018. The Commission will post all questions and its responses on [www.ohioturnpike.org](http://www.ohioturnpike.org) and email the compilation to all interested parties on record.

Respondents must submit an electronic copy of its proposal to [purchasing@ohioturnpike.org](mailto:purchasing@ohioturnpike.org) and one (1) original and three (3) hardcopies to the following address before 5:00 PM (Eastern) on September 25, 2018:
