Issued by the Ohio Turnpike and Infrastructure Commission on July 6, 2018 through Mark R. Musson, Director of Contracts Administration.

Mark R. Musson

ANSWERS TO QUESTIONS RECEIVED THROUGH THE END OF THE INQUIRY PERIOD

Q#1 Thanks a lot, I wanted to see if I could request an extension on both the "Inquiry End Date" and the "Proposals To Be Received Date"?

A#1 Through this Addendum No. 1, the proposal due date is extended to July 20, 2018.

Q#2 **Is the state of Ohio looking to have another armored vehicle service run this route or are you looking for a non descript vehicle (IE. cargo van) to run this route?**

A#2 The Commission does not specify the means or methods for securely transporting its coin and currency. However, there are strict insurance requirements and the Commission will consider "the Respondent's procedures and policies proposed to mitigate the risk of loss assumed under the agreement" when making a selection.
