

High Wind Ban

When a High Wind Ban is placed into effect, the following types of vehicles shall be prohibited from traveling the Ohio Turnpike until the wind ban is lifted:

- All triple-trailer combination commercial vehicles
- Box-type long double-trailer combination commercial vehicles in excess of 90 feet in length
- Mobile home / office trailers
- High-profile* campers and enclosed trailers
- Boat and horse trailers towed by passenger vehicles or pickup trucks

Not included in the ban are self-propelled motor homes, low-profile trailers, fold-down camper trailers, pickup trucks with slide-on camper units, vehicles towing fifth-wheel type trailers, or any other type of trailers towed by passenger vehicles or pickup trucks not listed above. Also excluded from the ban are commercial trucks towing single flatbed or box-type trailers, flatbed double-trailer combinations in excess of 90 feet and any double-trailer combination commercial vehicles less than 90 feet.

* High-profile is defined as a trailer designed for a person of average height to stand in.
