CONTRACT NO. 43-13-02**

**ANSWERS TO QUESTIONS RECEIVED THROUGH 12:00 P.M., APRIL 15, 2013**

**Q#1** In the specifications it references Pollution Liability coverage, but does not specifically state if the contactor needs to purchase. Do you suspect a pollution exposure?

*A#1 There is exposure to pollution liability because paving operations are part of the Work, and the Contractor is required to obtain Pollution Liability coverage.*

**Q#2** Also you are asking for \$1,000,000 Fire Damage Legal Liability coverage. This coverage is for fire damage to premises rented to our insured. Our Insured has \$300,000 limit.

*A#2 Fire Damage Legal Liability coverage in the amount of one million dollars (\$1,000,000) is required to cover the bridge and other premises that the Contractor will occupy when performing the Work.*
