ANSWERS TO QUESTIONS RECEIVED THROUGH 9:00 A.M., JANUARY 27, 2012

Q#1 Can pdf files of the existing structure plans be e-mailed to the plan holders? Please include drawings of the rehabilitation done in 1980.

A#1 *The Commission will not email the existing plans to the plan holders. The existing plans are available for inspection at the Ohio Turnpike Commission Headquarters (See DWG 2 of 17).*

Q#2 The vertical clearances indicated on page 6/17 provide very little room for falsework. Is the minimum vertical clearance going to be temporarily reduced to allow more room for falsework?

A#2 *The vertical clearance may not be temporarily reduced.*

Q#3 What are the guidelines the Chief Engineer follows when approving 1 lane and 2 lane closures on the turnpike? (What hours are they permitted?)
