ANSWERS TO QUESTIONS RECEIVED THROUGH 12:00 P.M., SEPTEMBER 20, 2013

ANSWERS TO QUESTIONS RECEIVED THROUGH 12:00 P.M., SEPTEMBER 20, 2013

Q#1 Does this replace the Turnpike's prequalification process?

A#1 No. The Commission issued the RFP for Consulting Engineering Services to obtain the services that are required under the Master Trust Agreement between the Ohio Turnpike and Infrastructure Commission and its Bondholders' Trustee, Huntington National Bank. See PART I of the RFP. The Commission will continue conducting its prequalification process under the Biennial Request for Qualifications to perform Construction Engineering & Inspection, Material Testing and Quality Control Services, Miscellaneous Engineering Design Services, Environmental Services, Surveying Services and Construction Management Services.

Q#2 How many firms will be selected?

A#2 The Commission anticipates selecting a single Consulting Engineer under the RFP.

Q#3 Is there any additional information that indicates what type of information you are looking for us to submit and what the selection criteria will be based upon?

A#3 The Proposal Submission Requirements are set forth in PART V of the RFP, and the selection criteria are described in PART X of the RFP.
