Q#4 Is it possible to receive a copy of the OTC's Master Plan?

A#4 The Master Plan is available upon request on a compact disk from the Procurement Manager.

Q#5 To clarify, the PM resume is part of the ten (10) page maximum for the LOI?

A#5 The proposed Project Manager's résumé may be attached as an appendix to the LOI and excluded from the page limit constraints.

Q#6 How are the references from other government organizations to be shown? Is a document from each to be included or is the intent that a listing of each organization with the project name and the organization's contact person be shown?

A#6 References from governmental organizations may simply state the organization's name, contact person, project name and a brief description of the project scope.

Q#7 Can we get a copy of the 2009 Mainline Pavement Evaluation?

Q#9 Since our submission of the 2013-2014 Statement of Qualifications, we have added/changed staff relative to roadway design/project management. Do we need to update/resubmit these qualifications prior to submission of the subject LOI?

A#9 If the Interested Firm's LOI identifies staff members that are not included in its response to the 2013-2014 Biennial Request for Qualifications, the Firm's Statement of Qualifications can be updated simultaneously with the submission of the LOI.

Q#10 Will base mapping be provided by the Commission or will the design consultant have to provide it for each section?
