

Division Welder

The Ohio Turnpike and Infrastructure Commission

Hiram Maintenance Building – Windham, Ohio

If you want to accelerate your career growth, you need to stop thinking about today. Instead, think year one and beyond. Bring your talents and goals to one of Northern Ohio's vital resources and join the future of transportation.

If you are interested, here's what we can offer you:

- Salary starting at \$24.35 up to a potential maximum of \$33.67 per hour
- Excellent pension and health care benefits
- Paid leave and holidays
- Growth and advancement
- Educational assistance and reimbursement

Job Duties:

- Perform duties relevant to skilled welding, fabrication and repair of various components, equipment, and aftermarket items necessary in the operation of the Ohio Turnpike facilities and equipment.
- Clamp, hold, tack-weld, heat-bend, grind or bolt component parts to obtain required configurations and positions for welding.
- Weld components in flat, vertical, or overhead positions.
- Lay out, position, align, and secure parts and assemblies prior to assembly, using straightedges, combination squares, calipers, and rulers.
- Weld separately or in combination, using aluminum, stainless steel, cast iron, and other alloys.
- Recognize, set up, and operate hand and power tools common to the welding trade, such as shielded metal arc and gas metal arc welding equipment.
- Repair products by dismantling, straightening, reshaping, and reassembling parts, using cutting torches, straightening presses, and hand tools.
- Secondary duties include the performing of snow and ice removal operations, when required.
- Provide service and repair of vehicles and equipment on an emergency basis; cleans garage area, equipment and/or tools; operates equipment as needed; performs any other duties necessary and incidental as may be assigned by the Chief Mechanic.

Work Characteristics:

- Knowledge of fabricating and welding techniques, including determining required equipment and welding methods, applying knowledge of metallurgy, geometry, and welding techniques.
- Ability to work alone on most tasks; stand, walk or bend continuously; lift and carry 40 pounds frequently and 80 pounds, occasionally.
- Use mechanical equipment; radio and telephone communications*.
- Use limbs/fingers easily to perform manual tasks.
- Ability to drive throughout the distance of the assigned Division.

(*) Developed after employment

Minimum Requirements:

- Must be proficient in their ability to weld ferrous and non-ferrous metals using Arc, TIG, MIG, Gas and Oxy Acetylene welding and cutting, Plasma.
- Shall be proficient in the use of basic hand and power tools.
- Valid Class “A” CDL within six (6) months from the date of hire required for Maintenance Worker IV-A Welder.
- Must possess own tools including toolbox and basic hand tools, wrenches, ratchets, sockets, etc.
- Two (2) years of experience, applicable training in welding, fabrication and repair, and possession of the following Certified Welder certifications as issued by the American Welding Society (AWS):
 - D1.1 Shielded Metal Arc Welding 3G, 4G
 - D1.1 Gas Metal Arc Welding-P 3G, 4G
 - D1.1 Fluxcore Arc Welding-G 3G, 4G
 - Gas Tungsten Arc Welding 3F Aluminum
 - Gas Tungsten Arc Welding 3F Stainless

Unusual Working Conditions:

Exposure to fumes, dust, dirt, unpleasant odors, vibration and loud equipment noise. May be exposed to changing weather conditions (rain, lightning, humidity, heat, cold, snow, ice); will work indoors and outdoors; may work on extension ladder and scaffolding; exposure to hazardous materials, grease, confined work areas, high voltage, and power tools. Required to be available to work overtime during emergency and other situations.

Application Process:

Background checks will be conducted on all selected applicants and include, but are not limited to, driving record, criminal record and employment history. A drug test and pre-employment physical are required as a part of the selection process.

Those interested may obtain a copy of the employment application [HERE](#). Individuals must print the application, fill out using a blue or black pen, and send it along with a cover letter and resume via U. S. mail to:

The Ohio Turnpike & Infrastructure Commission
Attn: Human Resource Manager
Human Resources Department
Reference Code: MW Class IV-A Welder – Division II
682 Prospect Street
Berea, Ohio 44017
