### **\*\*MEDIA ALERT\*\***

#### **Eastbound entrance ramp at Exit 218 (Niles/Youngstown) to close on Friday night**

**BEREA** (Sept. 10, 2020) – Starting tomorrow at approximately 8:00 p.m., Friday, Sept. 11 through 8:00 a.m. on Sunday, Sept. 13, the eastbound Ohio Turnpike entrance ramp at Exit 218 (Niles/Youngstown) will be closed for ramp pavement resurfacing.

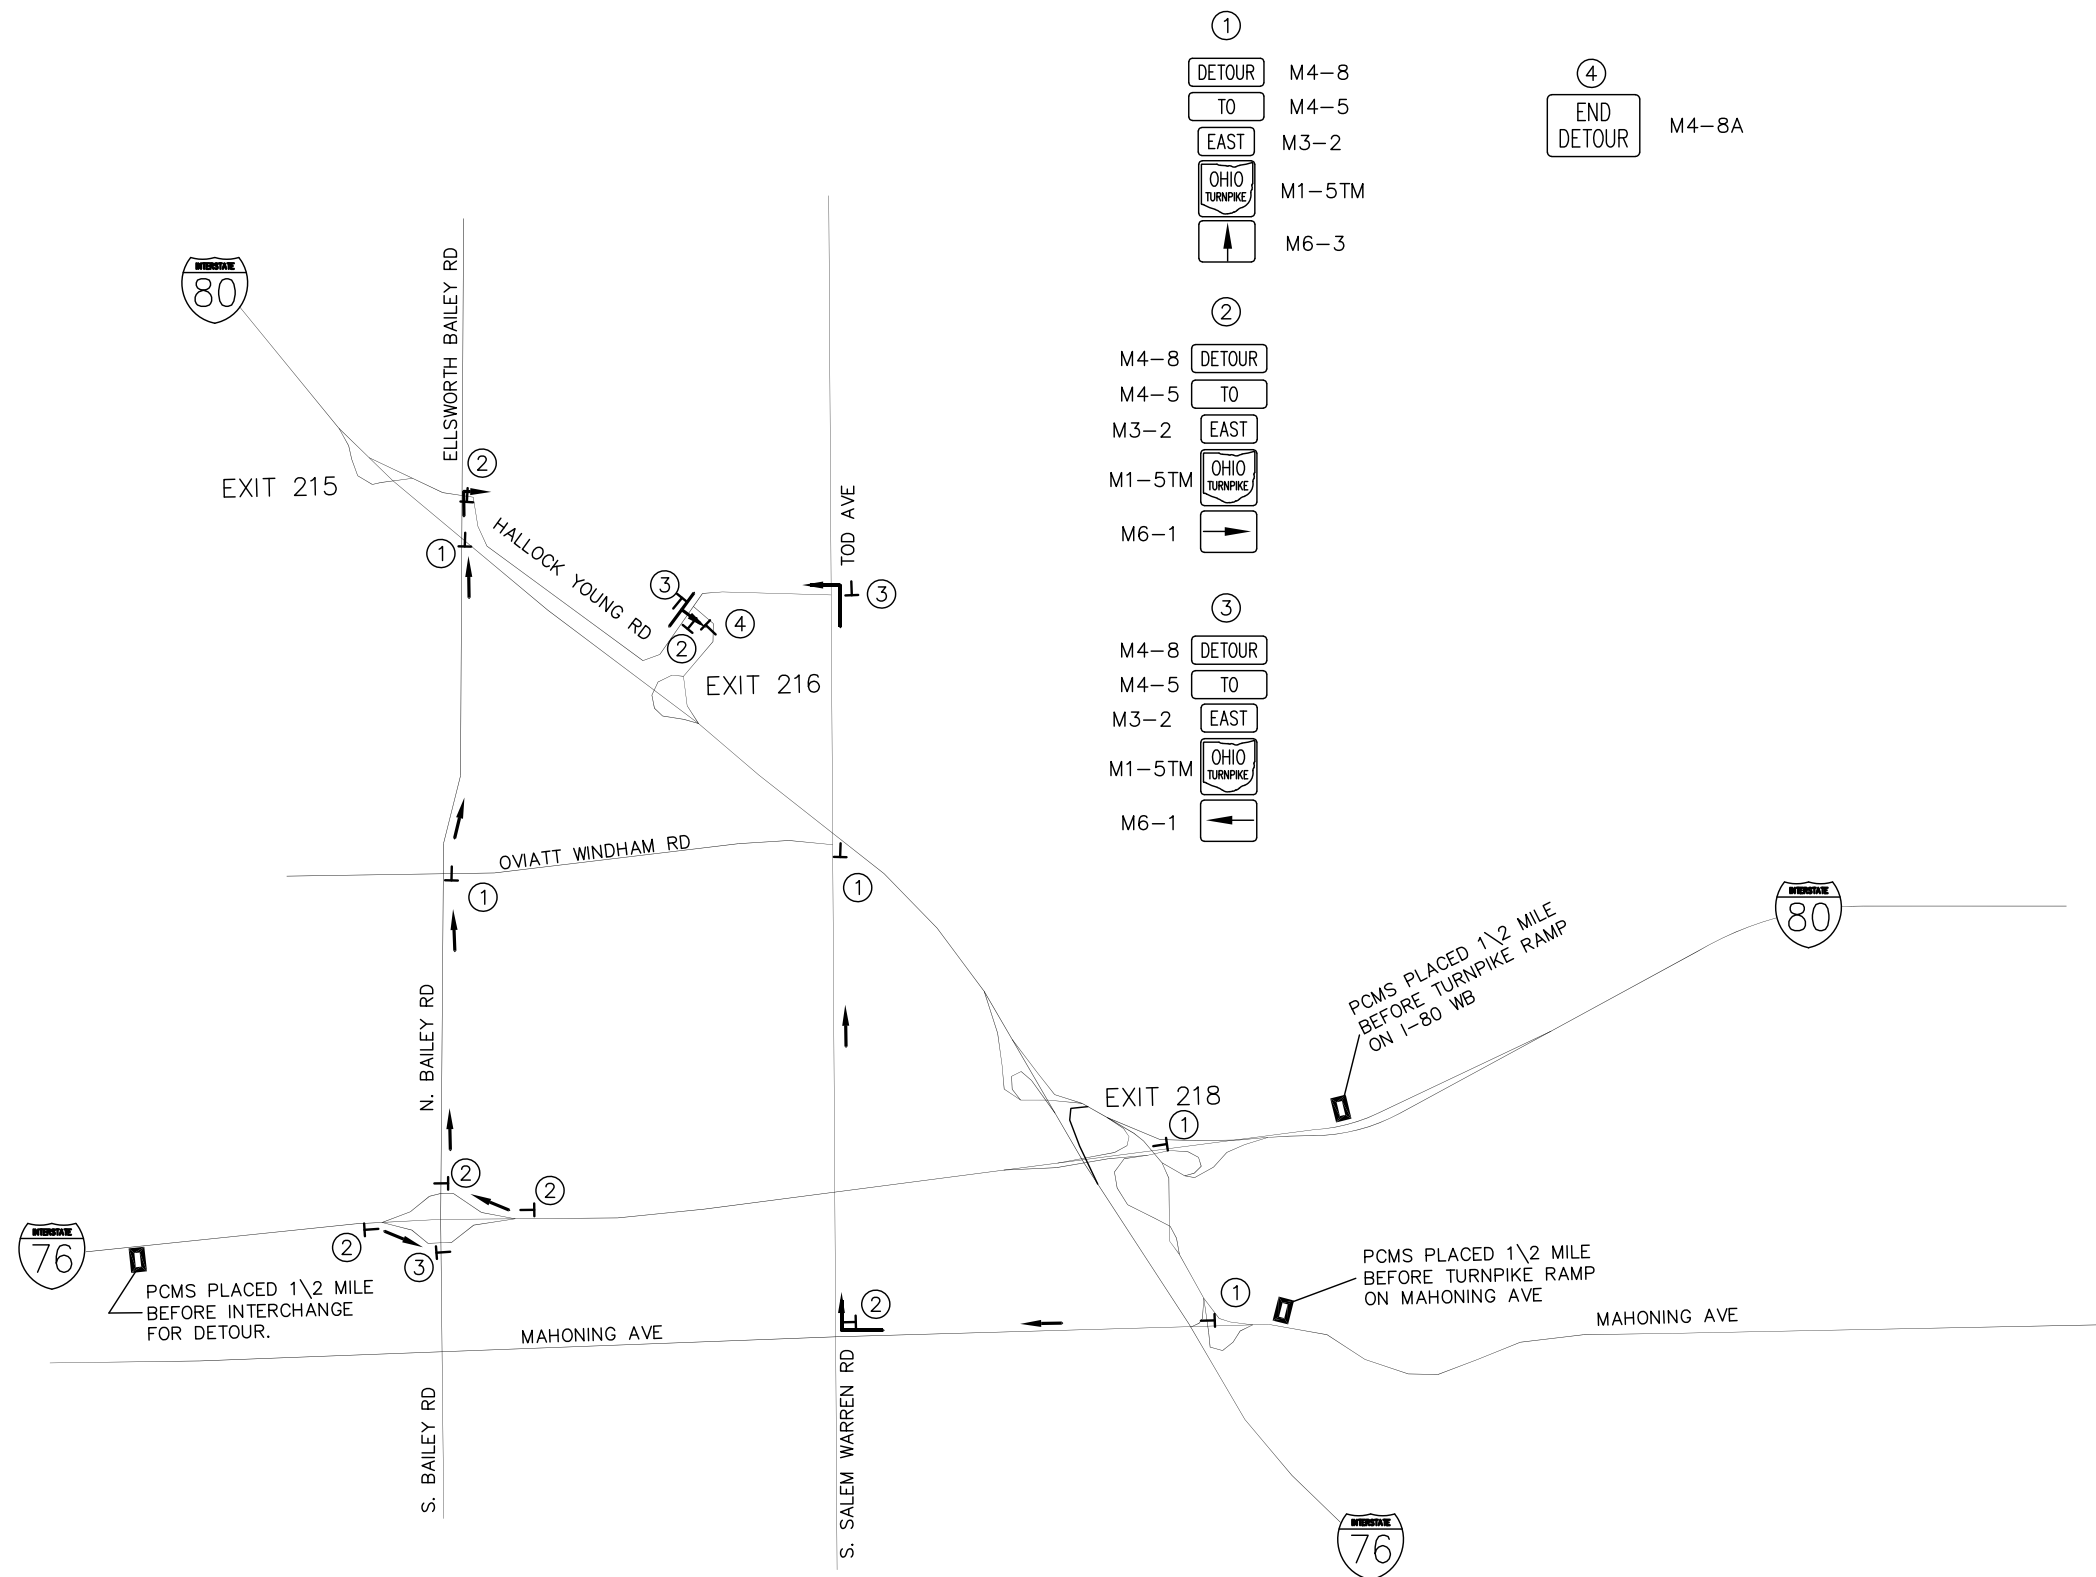

This closure will allow the contractor (the Shelly Company) to mill, repair, and repave the ramp from the ramp bridge over the mainline to the mainline. There will be a detour in place (see attached) that will route traffic to Exit 216 to allow traffic to enter going eastbound on the Turnpike. When the work is completed, the ramp will be reopened, and the detour removed.

This work is part of the Ohio Turnpike's 2020 Capital Improvement Program. For ongoing updates, motorists are encouraged to follow the Ohio Turnpike on Twitter: @OhioTurnpike.
