

Ohio Turnpike I-80 East Onramp at Toll Plaza 152 in Lorain County Has Reopened

BEREA, Ohio (Aug. 14, 2024) – The Ohio Turnpike and Infrastructure Commission has reopened the onramp to Interstate 80 eastbound at Toll Plaza 152 (North Olmsted-Cleveland) in Lorain County.

“The onramp to I-80 eastbound has reopened, however the next phase includes construction of the interior lanes, so travelers should be aware of the active work zone,” said Chris Matta, chief engineer/deputy executive director for the turnpike commission.

To protect motorists and roadway construction workers, here are safety tips to follow when driving through work zones:

- Establish a safe following distance;
- Obey the work zone speed limit (because of reduced lane widths, traffic lane shifts, and narrow shoulders);
- Avoid distractions;
- Pay attention to the signs; and
- Be prepared to slow down or stop.

Plan ahead to avoid delays and keep roadway safety top-of-mind. For travel conditions, [click here](#) for an Ohio Turnpike map, including alerts, lane closures, a fare calculator, and more.

For emergency roadside assistance or to report an unsafe driver, dial #677 in Ohio or 911.
