****MEDIA ALERT****

First of several detours for Exit 173, I-77 and SR 21 begin on Monday

BEREA (June 15, 2018) – Starting this Monday, motorists travelling from the Ohio Turnpike to SR 21 will be detoured on I-77 southbound to Wheatley Road. From Wheatley Road, motorists will travel north on I-77 to reach SR 21. Ramp pavement replacement will be completed on approximately July 14, weather permitting.

This detour is the first of several to take place on the ramps at Exit 173. Crews will be removing and replacing pavement on the SR-21 and I-77 ramps to and from the Ohio Turnpike at Exit 173 between now and November.

Travelers may view a map and associated detour information in chronological order **HERE**.

*Factors that may affect exact project start time and completion include inclement weather and unforeseen project complications. For ongoing updates please refer to www.ohioturnpike.org/constructionupdates and follow the Ohio Turnpike on Twitter: @OhioTurnpike.
