### TRAVEL ALERT

#### **Tinkers Creek Bridge Repairs on the Ohio Turnpike to Cause Traffic Backups and Delays This Weekend**

BEREA, Ohio (Aug. 18, 2023) – Tinkers Creek Bridge on the Ohio Turnpike at milepost 185.6 in Summit and Portage counties will be reduced to one lane eastbound for repairs from **8 p.m., Friday, Aug. 18, 2023, to 7 a.m., Monday, Aug. 21, 2023.**

The repairs, which include the removal and pouring of concrete in the eastbound center lane, will require traffic to be reduced to one open lane in the eastbound direction, which is likely to cause significant traffic backups and delays this weekend.

Following the completion of these repairs, two lanes for eastbound traffic will remain open.

The repairs at Tinkers Creek Bridge are the beginning of a three-year project to replace the pavement in the eastbound and westbound lanes.

*Plan ahead to avoid delays and keep roadway safety top of mind.
