Bids are to be submitted in accordance with the Contract Documents prepared by the Commission.

**Prevailing Wage Rates and Equal Employment Opportunity requirements apply to this Project.**

**The Small Business Enterprise (DBE/EDGE/SBE) Goal applicable to this Project is 11%.**

**Pollution Liability Insurance is required under GC Art. 12.1.4 for this Project.**

Bids will be received for this Project, which includes the following:

The Work to be performed under the Contract for Project No. 39-20-01 (PART A), if any is awarded on the basis of the Bids, consists of removing and reconstructing the pavement in the right two (2) lanes and shoulder in both directions of the Ohio Turnpike. The Work includes, but is not limited to, inside widening pavement to the median with an addition lane and shoulder in both directions, excavating existing pavement, constructing full depth pavement, chemically stabilizing the subgrade, constructing approach and departure ramp pavement for new plaza in both directions, constructing a new access drive, demolishing the existing Westgate Toll Plaza, performing drainage repairs and replacements, installing concrete barrier wall, asphalt curbs, guardrail, performing approach slab replacements, installing new box trusses and cantilever sign supports, pavement markings and other traffic control devices, performing temporary traffic control, tree removal, clearing and grubbing, right of way fence replacement, installing new ramp light

foundations, light poles, pull boxes, installing a water well and septic system, and coordination with the 58-21-01 Building Contractor and the Toll Collection Systems Integrator Contractor on both the north and south sides of the Ohio Turnpike.

The Work to be performed under the Contract for Project No. 39-20-01 (PART B), if any is awarded on the basis of the Bids, consists of but not limited to, excavating and constructing embankment for grading preparation of the entire toll plaza site, chemically stabilizing the subgrade, performing drainage installations, guard rail installation, constructing full depth asphalt pavement, installation of pavement markings and other traffic control devices, and coordination with the 58-21-01 Building Contractor and the Toll Collection Systems Integrator Contractor on both the north and south side of the Ohio Turnpike.

The Work to be performed under the Contract for Project No. 39-20-01 (PART C), if any is awarded on the basis of the Bids, consists of but not limited to, excavating and constructing embankment for the proposed Wetland, performing drainage installations, constructing habitat structures, planting trees and shrubs, and seeding the entire site with 4 different types of seed on the north side of the Ohio Turnpike.

All Work is to be performed as per the Plans, Drawings, Specifications, Special Provisions, Technical Specifications, and other Contract Documents for this Project.

Bids will be accepted until **August 25, 2020, at 2:00 P.M. (Eastern Time)**, when all Bids will be accessed, opened and read aloud. Bidders should submit all questions no later than seven (7) days prior to Bid Opening.

Contract Documents are available by registering for a free vendor account and logging into Bid Express® (<https://www.bidexpress.com>). However, Bidders must obtain a paid subscription to Bid Express and select the Project for Bidding to submit a Bid.

The Contract Documents may be reviewed for bidding purposes without charge by registering and logging into Bid Express®.

A Contract will be awarded, if any award be made, to the Bidder determined to have submitted the lowest responsive and responsible Bid for the performance of the Work. The Commission reserves the right to reject any and all Bids and to waive minor irregularities or technical deficiencies.

D.R. 7(28) & 8(4)2020
