ANSWERS TO QUESTIONS RECEIVED THROUGH 8:00 A.M. ON JULY 6, 2021:

Q#2 Our contract review department has reviewed the bid document to ensure compliance and has come back to us with terms and conditions exceptions regarding force majeure, warranty, and risk of loss or damage. We would like to know if submitting these exceptions would be possible or if they would deem us non-responsive?

A#2 The General Terms and Conditions set forth in the Bid Invitation are the Commission's standard terms and conditions which are part of the Contract Documents. The Bid Invitation does not invite requests to vary or change the General Terms and Conditions. Any bidder that submits a bid conditioned upon supplemental or changed terms and conditions assumes the risk that its bid may be deemed nonresponsive.
