ANSWERS TO QUESTIONS RECEIVED THROUGH 2:00 P.M. ON JANUARY 6, 2023:

Q#1 After reviewing the generator information on bid number 4423, we have determined that it will be impossible for us to get accurate parts pricing without the model and serial number for each generator listed. Can you provide that to us, please?

A#1 The requested information is listed in the attached table below.

Q#2 Is it possible to get the Xcel spreadsheet or some sort of document where we could type our prices in for submittal?

A#2 Bid Submittals are to be completed on the forms as issued by the Commission, Xcel format is not available.
