ANSWERS TO QUESTIONS RECEIVED THROUGH 11:00 A.M. ON SEPTEMBER 19, 2025:

- Q#** Are you able to tell me who the incumbent is for this opportunity and are you able to provide current pricing for this service?
- A#1 Some services are being provided on an as-needed basis by IFM/Kleinfelder. Other services are being performed by Commission staff. Interested bidders may request IFM/Kleinfelder's pricing by submitting a public records request to records.requests@ohioturnpike.org*
- Q#2** We have no NPDES permit, we can only discharge into POTW, Northeast Ohio Regional Sewer District. When we performed this work in the past, our drivers would bring the water back to our Wastewater Treatment facility in Cleveland, OH. Are we ok to bid on this with you knowing this is how we would again complete these pickups or are we exempt from bidding?
- A#2 For this contract, transporting wastewater to another facility for treatment or disposal will **not** be accepted. The services must be performed in compliance with Ohio EPA permit requirements at the Commission's facilities.*
