ANSWERS TO QUESTIONS RECEIVED THROUGH 9:00 A.M. ON SEPTEMBER 10, 2026:

Q#1 On the Group I : Bulk oil portion of the bid, I noticed that all locations are getting 100 quarts (25 gallons) of 5W/30 for example, how is this delivered? Do the locations want 25 gallons pumped into their bulk tank from a bulk lubricant truck?

A#1 We have totes at each location that the vendor will pump the oil from their bulk lubricant truck into our totes, the 25 gallons was just an estimate for pricing.
