ANSWERS TO QUESTIONS RECEIVED THROUGH 10:00 A.M. ON OCTOBER 23, 2026:

Q#15 Could you please provide the approximate cleanable square footage for each of the eight maintenance locations, including the Amherst Sign Shop and additional Division areas at Elmore and Hiram? We are seeking the areas included in the janitorial scope rather than gross building square footage.

If these measurements are unavailable, are floor plans or room dimensions available to help our prospective subcontractors prepare accurate pricing? We understand that site inspections are recommended.

A#15 Cleanable square footage is not recorded by the Commission for these locations. Bidders are advised to perform a facility inspection per Bid Invitation Specifications page 7-3 "Inspection of Facilities".
