Date

ANSWERS TO QUESTIONS RECEIVED THROUGH 11:00 A.M. ON NOVEMBER 12, 2026:

Q#1 If you could please send me more information on the parts and technical requirements so that we can ensure our proposed parts and service model aligns with the commission's current maintenance standards, we will submit a proposal prior to the November 18 submission deadline.

A#1 ***Vendor Qualifications***

In addition to providing repair and replacement parts, service and diagnostic software, to be considered for an award, Bidders must meet the following requirements:

- *The Bidder shall be a Cummins Authorized Overhaul Location with full Cummins Re-Flash capabilities.*
- *The Bidder is required to have current Cummins diagnostic and overhaul service tools on site and shall have a minimum of two (2) Cummins certified overhaul technicians on staff with 100% current training per Cummins requirements.*
- *The Bidder must be authorized as a Genuine Cummins Parts/Sales and Service Center.*
- *The Bidder shall be able to diagnosis, service and repair Commission owned trucks and equipment outfitted with Cummins engines and be Warranty Certified by Cummins Service & Sales.*

Each Bidder shall furnish with their Bid, one (1) complete set of pricing for Cummins Sales & Service parts list effective April 25, 2026, clearly identifying each part by description and part number. Bids shall be submitted (including the percentage rate offered- plus or minus) based on the aforementioned price list. The Proposal shall include provisions for the Bidder to identify the parts price list title, the date issued, and the column referenced in the price list, which will be used during the term of the Blanket Order.

Each Bidder needs to be a certified Cummins repair facility and needs to bid the discount offered on the current Cummins Parts list.
