ANSWERS TO QUESTIONS RECEIVED THROUGH 8:00 A.M. ON JANUARY 21, 2022:

Q#1 Can you verify for me that we do not need to fill out Part 11 of this? It mentions on page 2 “The Small Business Enterprise Goal (including SBE, DBE and EDGE) is waived.”

A#1 The SBE forms must be filled out despite the goal being waived. See Part 5, Bid Form Instructions, page 5-1, items 6 and 7 of the Bid Invitation for more instructions. If a bidder believes it has no information to provide on the SBE forms, the bidder can indicate “Not Applicable” when the goal is waived. The Commission’s SBE Program Manual permits a bid discount or opportunity to match the apparent low bid amount to SBE, MBE or LDBE bidders. Therefore, SBE, MBE or LDBE bidders are encouraged to complete the SBE forms. For more information about the Commission’s SBE program, please visit <https://www.ohioturnpike.org/business/oei>.
