ANSWERS TO QUESTIONS RECEIVED THROUGH 5:00 P.M. ON FEBRUARY 10, 2023:

Q#1 Should page ii of the RFQ be submitted as the respondent’s cover page or anywhere else in the Letter of Interest? If so, will this page be included in the 15-page limit?

A#1 Respondents may use page ii of the Request for Letters of Interest but are not required to do so as this information can be provided in a cover letter or elsewhere in the proposal. If a respondent chooses to use page ii, it would not be counted toward the 15-page limit.

Q#2 As the prime consultant for “General Material Testing and Quality Control Services (LOI No, 2-2023)” can we sub-contract to a SBE firm that is prime consultant for the “General Construction Administration and Inspection Services (LOI No. 1-2023)” to meet the 25% SBE goal?

A#2 Yes.
