Issued by the Ohio Turnpike and Infrastructure Commission through Aimee W. Lane, Esq., Director of
Contracts Administration

Aimee W. Lane

Aimee W. Lane, Esq.,
Director of Contracts Administration

JANUARY 24, 2024
Date

ANSWERS TO QUESTIONS RECEIVED THROUGH 5:00 P.M. ON JANUARY 23, 2024:

Q#2 Does OTIC have any determinations made or preferences for maintenance of traffic at each bridge site? If so, can the details be provided?

A#2 OTIC has not made any determinations on or preference of maintenance of traffic at each bridge site.

Q#3 Will this contract require the consultant to perform full administration and inspection services during the construction phase?

A#3 Per Section C of Appendix A, the consultant will provide engineering support during construction.

Q#4 Will cellular abutments be required for the proposed replacement bridge at MP 240.4?

A#4 OTIC has not performed a structure type study for the bridge replacement at MP 240.4. Accordingly, no specifications or design parameters have been set for this replacement structure.
