**ANSWERS TO QUESTIONS RECEIVED THROUGH 5:00 P.M. ON SEPTEMBER 30, 2024:**

**Q#2** In PART III LOI Requirements, #7 asks firms to “Prepare proposed schedule that shows firm can meet stage submittals and Project Deadline.” Since this is General Engineering Services LOI without a specific scope of work, does OTIC want firms to create a sample task or should this requirement be stricken?

*A#2 A proposed schedule may be omitted from the requirements of this submittal. An individual task schedule will be developed with each specific assignment. All other LOI Requirements stated in Section 7 shall be included with your submittal.*
