ANSWERS TO QUESTIONS RECEIVED THROUGH 9:00 A.M. ON JULY 14, 2022:

Q#1 Please confirm that the below Executive Order excludes Canadian companies from bidding until the order is lifted

A#1 Executive Order 2019-12D does not exclude a non-U.S. company from submitting a bid under this Bid Invitation. The Executive Order requires the bidder to affirm that if awarded the contract, no services will be performed under the contract by personnel at non-U.S. locations and no Commission data will be stored at locations outside the United States. This Bid Invitation is for the award of a contract for goods, products or equipment and is not a services contract. Therefore, a non-U.S. bidder could complete the form by noting that the sections regarding the location of services or data storage are not applicable because the contract is not for services. Bidders are encouraged to consult with legal counsel or another representative of their choice for guidance on how to best complete the form for their company. The form is required to be included in all bidding documents under current Commission policy.
