Q#1 The work is to be bid on an hourly basis, and we would like to know how you would like us to calculate the Performance Bond or letter of credit to complete our submission? Being that it is hourly we want to make sure you get the correct amount of bid bond.

A#1 For purposes of fulfilling the Bid Guaranty and Performance Bond requirements, use \$15,000 for the bid guaranty amount and \$75,000 for the performance bond sum.
