

## **OHIO TURNPIKE AND INFRASTRUCTURE COMMISSION**

682 Prospect Street  
Berea, OH 44017

### **Intent to Advertise a Request for Proposals for Fuel and Retail Operations at the Ohio Turnpike Service Plazas**

In the coming weeks, the Ohio Turnpike and Infrastructure Commission (the “Commission”) in the State of Ohio will solicit Requests for Proposals (“RFP”) from Operators that are interested in providing Fuel and Retail Operations at the Commission’s fourteen (14) Service Plazas. Further information on the Ohio Turnpike can be found at: <http://www.ohioturnpike.org>.

The scope of services for fuel and retail operations at the Commission’s Service Plazas consists of the compliant operation of fuel dispensing, four 24 hour convenience stores and 20 kiosks including, but not limited to, system monitoring, purchase and distribution, quality control, required testing, human resources management, regulatory reporting, and environmental and financial management of the Fuel Stations, convenience stores and kiosks.

Interested vendors are strongly encouraged to register to be added to the Commission’s vendor list by completing the online vendor registration submittal available at: [OTIC Vendor Login](#) (using “NAICS” North American Industry Classification System six-digit code: 447110) or by sending an email requesting vendor log-in information to [purchasing@ohioturnpike.org](mailto:purchasing@ohioturnpike.org).

Once available, the Commission will automatically send the RFP to registered vendors. The Commission will also post instructions for obtaining the RFP documents at: [Request For Proposals \(RFP\)](#)

All questions regarding the Commission’s Fuel and Retail Operations RFP should be directed to [purchasing@ohioturnpike.org](mailto:purchasing@ohioturnpike.org).
