ATTENTION OF BIDDERS IS DIRECTED TO:
ANSWERS TO QUESTIONS RECEIVED THROUGH 12:00 P.M. ON JUNE 4, 2021

Issued by the Ohio Turnpike and Infrastructure Commission through Jennifer L. Stueber, Esq., General Counsel.

Jennifer L. Stueber, Esq.,
General Counsel

June 4, 2021
Date

ANSWERS TO QUESTIONS RECEIVED THROUGH 12:00 P.M. ON JUNE 4, 2021:

Q#6 For item 257 Diamond Grinding, how will the quantity be calculated for payment? Will it be the entire area that we are analyzing for smoothness (basically plan quantity) or will it be the actual areas that are diamond grinded, using measurements of pavement that is corrected, which could be small areas throughout the new pavement?

A#6 The quantity of Item 257- Diamond Grinding, As Per Plan will be calculated by the actual square yards performed and accepted. The intent of the plans was to diamond grind the new pavement, where needed, to ensure the smoothness required by ASTM E1318-09 is achieved unless otherwise directed by the Chief Engineer.
